

Scholarship Granting Organization

Our Scholarship Granting Organization allows donors to make gifts to The King's Academy that will benefit the scholarships awarded to our students who are most in need.

A School Scholarship Tax Credit is available to individuals or corporations who donate to SGOs for the purpose of supporting King's Academy students. Any donation made to an SGO designated for King's Academy will be applied directly to the cost of tuition for incoming or existing students who qualify.

All donations to SGOs are eligible for a 50% state tax credit that allows donors to minimize state taxes paid for this year's income. In addition, the donation may be eligible for a federal tax deduction.

- There is no limit or minimum on the size of the contribution. However, the tax credit amount cannot exceed the state tax liability for the current year. (On July 1st of 2022 Indiana allocated \$18.5 million in tax credits for SGOs to offer individuals or businesses as an incentive to help raise funds for scholarships. To see how many tax credits are still available [click here!](#))
- Student recipients must meet certain family income levels to qualify for a SGO scholarship.
- Actual after-tax cost will vary based on your individual income tax status.

*King's Academy's SGO partner is the [Institute for Quality Education](#).

SGO gifts can be made by check (payable to the Institute for Quality Education), stock, or credit card (one time donation or monthly). To make a gift via credit please
